

# PATHNORTH Ethiopia & Kenya Experience

Our upcoming PathNorth Experience will be led by Doug's longtime friend, Abraham Fiseha. As an Ethiopian native and humanitarian, he will serve as our guide for this immersive, 10-day trip.

We'll start our trip with three days in Addis Ababa exploring the history, culture and food of Ethiopia. From there, we'll fly to Nairobi, Kenya where we'll be hosted by PathNorth friends Mugo and Laila Kibati. We'll have dinner at the Muthaiga club (famously depicted in the film, *Out of Africa*) with a group of Kenyan dignitaries and politicians.

The last leg of our trip will take us to the Maasai Mara National Reserve where we'll catch the end of the wildebeest migration, and have multiple opportunities to see the local wildlife in action on game drives. We'll be staying in beautiful luxury camps in nature.

Please plan to arrive on the morning of Friday, October 25, 2019 in Addis Ababa, Ethiopia (Addis Ababa Bole International Airport) and depart on Sunday, November 3, 2019 from Nairobi, Kenya (Jomo Kenyatta International Airport).
