

PATHNORTH

PASSING IT ON!

EXPOSING THE NEXT GENERATION TO INSPIRATION AND MEANING

OCTOBER 19-21, 2018

Frequently, our members say they wish they could pass on their PathNorth learnings to the next generation. In Doug's Georgetown MBA course, he does this by exposing his students to strategies and practices of how to make meaning and purpose central to life and work. Throughout the course, he brings authentic leaders, many of them PathNorth members, to share their stories of success and failure and to answer the students' earnest questions about living an authentic life.

For the first time, we are bringing insights from this course and our experience with PathNorth, to a two-day retreat offered to the children of our PathNorth members, and next generation leaders at the Goodland Hotel in Santa Barbara. This experience is open to adults from ages 21 to 40.
